

Jointly Organized by Kyushu Institute of Technology and Universiti Putra Malaysia

SAES2026

14th International Symposium on Applied Engineering and Sciences

Theme

"Implementing Excellent Scientific Research Outcomes for Planetary Health"

CALL FOR ABSTRACTS

"In-Person Conference (On-site)"

DATE

November 9–10, 2026

VENUE

Kyushu Institute of Technology
Tobata Campus, Kitakyushu, Japan
In-Person Conference (On-site)

IMPORTANT DATES

Submission Deadline

~~August 8, 2026 (Sat)~~

August 31, 2026 (Mon) Extend

Notification of Acceptance

October 1, 2026 (Thu)

PRESENTATION TYPES

Oral

Poster

SUBMISSION SESSIONS

- | | |
|---|---|
| 1 Human Informatics | 7 Biology (Molecular to Population Level) |
| 2 Applied Informatics | 8 Organic Chemistry & Polymer Materials |
| 3 Information Science & Computer Engineering | 9 Inorganic & Energy Materials Chemistry |
| 4 Physical Chemistry & Functional Materials Chemistry | 10 Aerospace / Space Engineering |
| 5 Chemical Engineering | 11 Other / Interdisciplinary |
| 6 Environmental Conservation & Sustainability | |
