7 University Health Centre

The University Health Centre is equipped with modern medical and dental facilities, and pharmaceutical supplies that serve students, staff and general public around the campus. Currently, the 17 medical and dental officers are assisted by well trained support staff. The facilities include x-ray, physiotherapy, medical laboratories, dispensary and sick bays. The centre is making full use of electronic management, and the fully integrated paperless medical service is the first of its kind among Malaysian Universities.

8 University Agricultural Park

The University Agricultural Park acts as a custodian of UPM's land. It coordinates and maintains the area to achieve optimum land use in teaching and research activities especially pertaining to agriculture. Amongst the facilities that are managed by the Park are the university's fish ponds, exhibition site, golf course, orchid nursery, jogging track, deer farm, equestrian park and orchards.

9 Jogging Track

The 13 kilometer long tracks transverse the most scenic parts of the campus. It is ideal for those who like to go for a pleasant stroll or jog. Joggers and walkers can enjoy the peaceful and serene surrounding as it is set in a quite location away from the hassle of motor vehicles.

10 Sports Complex

UPM's sports complex is among the best in the country complete with a stadium, synthetic track, playing field, indoor gymnasium, volley ball, netball, basketball and badminton courts. The sports complex also houses the Sports Academy that provides scientific services to athletics and coaches. It is also used as a venue for research in sports science and for international sports meeting. It is equipped with flood lights which are used at night.

11 School of Graduate Studies

The administration complex of the School of Graduate Studies is situated on top of a hill overlooking a sprawling grazing land of UPM. The main function of the school is to manage and coordinate postgraduate programmes from various fields. Buses from College 14 provide transportation to the complex on a half an hour basis from 7 a.m. to 5 p.m.
