

## **Guideline of Student Loan for COVID-19 Emergency by Kyutech Supporters Association**

### **1. Purpose**

The purpose of this guideline is to specify necessary items for implementing the student loan program (the Student Loan for COVID-19 Emergency) which supports motivated students with financial difficulty due to COVID-19 so that they can continue their study at Kyushu Institute of Technology (Kyutech).

### **2. Type of Loan**

Following types are available for the Student Loan.

- (1) Loan for tuition fee
- (2) Loan for matriculation fee
- (3) Loan for immediate need of educational expenses

### **3. Application Eligibility**

The eligible students shall be enrolled in Kyutech, be a member of Kyutech Supporters Association, and have no outstanding balance of the Student Loan.

### **4. Application Procedure**

Applicants shall submit the designated application form to the Association and acquire the permission from the Head of the Association.

### **5. Maximum Loan Amount and Interest**

The maximum loan amount for one time is JPY 100,000 of interest-free.

### **6. Reception of loan money**

How to receive the loan money will be notified by further notice. When the loan money is received, a signed receipt shall be submitted in designated form.

### **7. Repayment of loan**

The due date of repayment shall be one year after the loan date or the end date of enrollment at Kyutech, whichever comes earlier. The loan can be repaid either in a lump sum or in installments, which should be chosen in application.
